

# Going to School

KYNETON  
Primary

*our school*

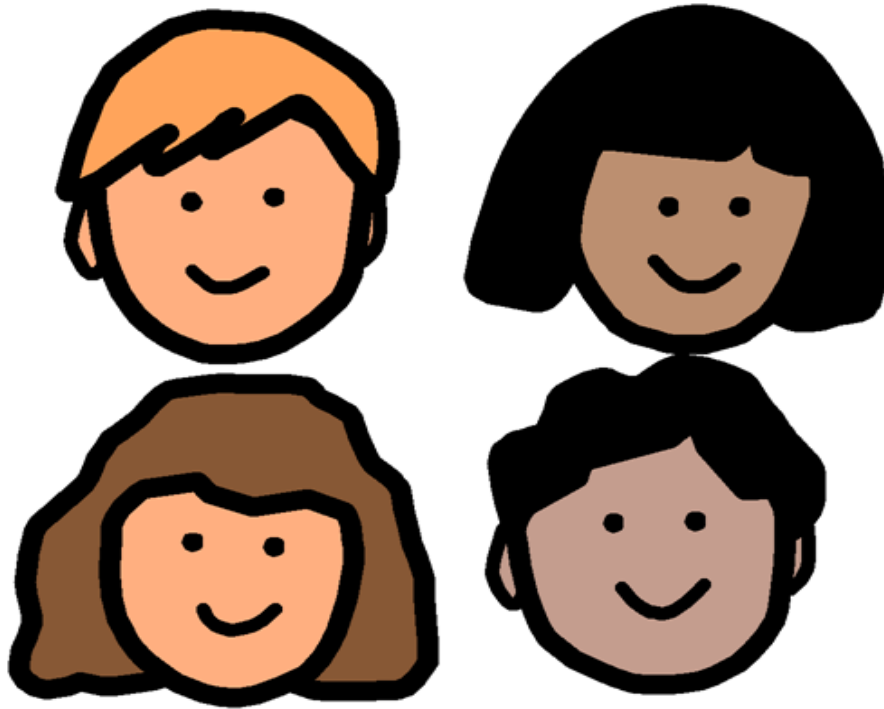

I will be starting school after the holidays. The school that I'm going to is called Kyneton Primary School.

I will be going to school on Monday, Tuesday, Wednesday, Thursday and Friday. I don't usually go to school on Saturday or Sunday unless there is something special happening.

Lots of children go to school  
so they can learn new things,  
like how to read and write.

I will wear a uniform when I go to school. I will take my drink bottle and my lunchbox to school in my schoolbag.

This is Mr. Rayner.

Mr. Rayner is the school  
Principal.

This is Mrs. Arnephy.

Mrs. Arnephy is the Assistant  
Principal.

## Here are the Foundation (Prep) teachers.

Alex McKay

Monday and Tuesday

Sharon Wilkes

Monday – Wednesday

Bianca Patrick

Wednesday - Friday

Justine Giusti

Thursday & Friday

Loretta Alden

provides education support to teachers and students in the classroom.

There are lots of other teachers at the school. These are some of the other teachers that I might have.

This is Madame Varga.  
Madame Varga teaches French.

This is Mr. Mountford.

Mr. Mountford is the Art  
teacher.

This is Miss Polly.

Miss Polly is the Music  
teacher.

This is Mr. Anstee. He is the PE and sport teacher. PE stands for *Physical Education*.

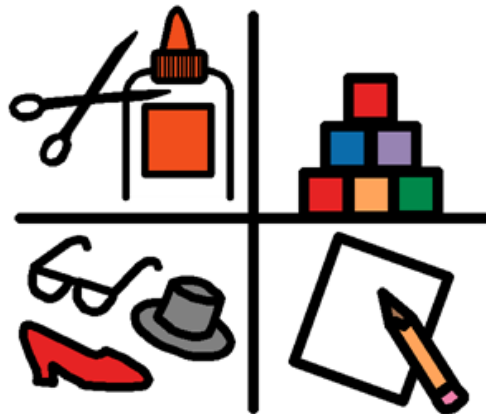

There will be lots of other children who will be starting school too.

I will not know all of these children, but that's okay.

This is a picture of the entry to my classroom. I will do a lot of things in my classroom.

Sometimes I might need to go to another classroom to learn things. Sometimes I might go outside to learn too.

I will learn new things like reading and writing.

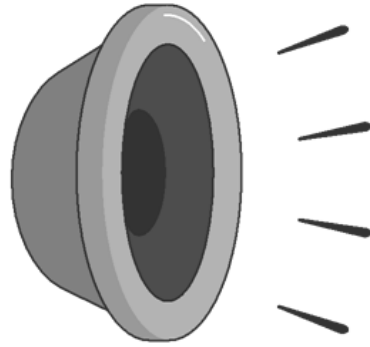

I will get to do things with  
other children.

My teacher will help me to  
learn new things and to do  
things with the other children.

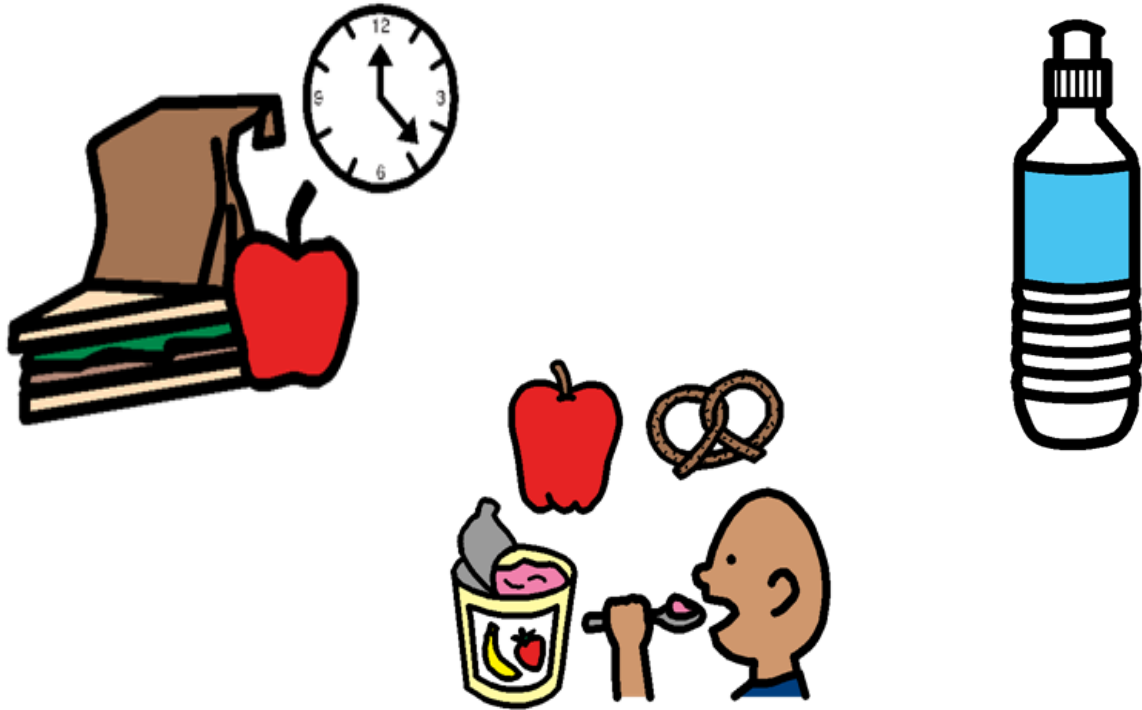

At school I will have a special place, usually called a locker, to put my bag. This will have my name on it. I will put my bag in the locker before I go into the classroom.

At school, there will be a sound and music that lets the children and teachers know when it's time for me to go to my classroom or when it's time for recess or lunch.

At the end of the school day, there will be a sound and music to let the teachers and children know that it's time to finish.

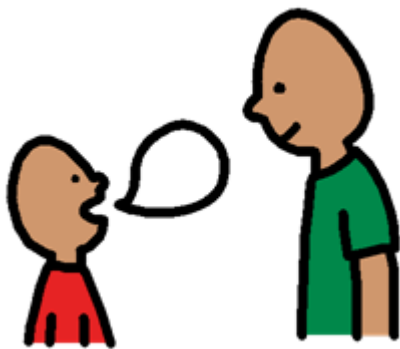

At school I will have time to have my snack and lunch in the classroom. I will take my water bottle to school.

Outside there is a playground and other places where children can play at recess and lunchtime.

The teachers will let me know which areas the children can play in. There are teachers in the playground if I need to ask for help.

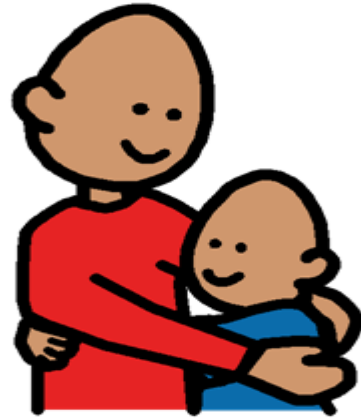

There are toilets at school. I can put my hand up to let my teacher know that I need to ask them or tell them something. I might say 'I need to go to the toilet'.

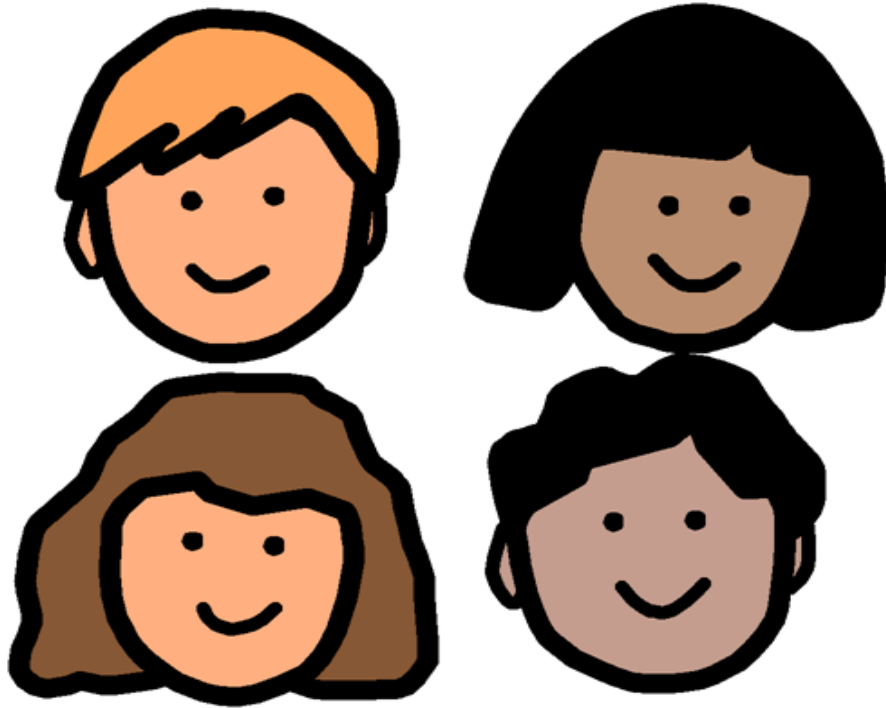

When I finish going to the toilet I can wash and dry my hands.

When school is finished my  
mum or dad or another  
special grown up that I know  
will come to get me.

Many children enjoy going to school!
